

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins... Acts 26:18

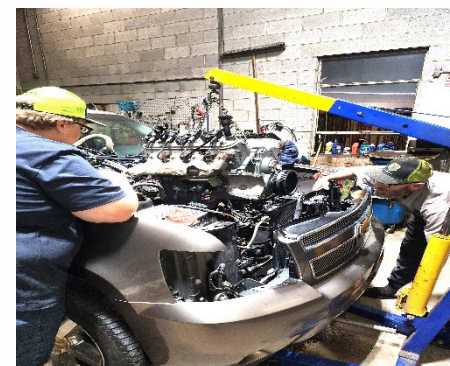

January - February 2024 Ministry Update

Dear Pastors, Friends, and Church Family,

I want to take the first part of this update and say, The Lord is good!!!

As many of you know, we made a trip back to North Carolina in November. During this trip, we got to see Jessica and spend some time with her and we are very thankful for that. Also during this trip, the motor messed up in our Suburban. What may seem like a curse to some people, this was actually a blessing: The old engine had 279,663 miles on it, it didn't happen on the road, we had a great place to stay, we were able to spend a little more time with family, and the Lord has already provided \$6500 toward the new engine. God is Good!!!

We got back home and were told the landlord that owns the church building decided to sell it. Another blessing! We began the search for another meeting place and were offered the conference room at the Tru hotel at the west gate to Hill Air Force Base. This is right off the exit ramp of I-15. This is the only Tru hotel in the world with a conference room. We can fit more people in the conference room than we could in the church building. God knew we were going to need it before we ever came to Utah!!! We have it blocked off for our church for the rest of the year with the option to block it off from here on out. We are thankful for our church folks understanding the need and the blessing of changing locations. No more scraping bumpers on the entrance to the parking lot. No more snow shoveling or snow blowing (for now). And, it's a lot easier for our folks in wheelchairs to get in and out of.

Other happenings for our family include: I (Allen) made it through another year. I turned 49 in January. Also, Jordan got his driver's license. He has worked hard, saved his money and also bought his first car (Hyundai Kona). Julia got her driver's permit. LOOK OUT!

Prayer requests and needs:

- 1) Continued favor with the people in our community
- 2) Visitors and conviction in our services (Salvations and Spiritual Growth)
- 3) Online Radio station
- 4) Continued prayer for our family
- 5) Still owe about \$2,000 for the engine

Thanks again for your faithful support, prayers, and encouragement for our family.
