

January - February 2023 Ministry Update

Dear Pastors, Friends, and Church Family,

January and February have been slow months for our canvassing outreach. The snow has definitely hindered our efforts in the last couple of months. Hopefully we will be able to get back into full swing sometime in the near future.

We reported in our last update that we have been approved to put the steeple on our building and we have been trying to get some men together to get it on top and fastened down. Now we are dealing with the snow and the county has emailed and said our permit expires in March. I will be trying to get an extension on that this month.

We also reported in our last letter that we would be going in the prison in Salt Lake with Rock of Ages. While we were in there, I had the privilege of preaching to the men as well as the women. We had several ladies make professions of faith. Angie and I have been back in since then and had the opportunity to preach to the ladies again. We will be going back again in April for another prison revival with Rock of Ages. Please help us pray!

Some other milestones over the last couple of months include: I celebrated my 48th yr alive in January, Jessica and Matthew came out to visit and we had a late Christmas with them, Justin got promoted to manager at his work after being there for only 2 ½ months, Julia got a job at the same place Justin works (Costa Vida in Kaysville), we went down to Springville, UT and helped another Church Planter canvass on a Saturday for his first service, and we have had several visitors in our services.

I also wanted to give an update on the radio station we have been asking prayer help for. We have all of the equipment we need to start an online radio station. I have been in contact with a dear Brother that is going to put together the website, link it to our church website, and host the station on the server for us. All we are needing now to get started is to save up for the training aspect of the software, the station, maintenance, programming, and everything else that goes along with running an online station. We are hoping to have that money saved up within the next month. We have already had a church here in the Salt Lake Valley give \$200 towards this. If you would like to be a part of what God is doing here in Utah, you can **1) Pray, 2) Pray about giving toward this need.** If you would like to give toward this project, please send checks to: **MT Ogden Baptist Church PO Box 922 Ogden, UT 84401** There is nothing else like what we are putting together, anywhere else in this valley! Most of the folks here don't even know what good, Godly music really is. However, we want to mix the music with good, Godly, sound doctrinal preaching from the Word of God, as well as use it to reach Utah and the world with the Gospel of Jesus Christ.

WHAT AN OPPORTUNITY WE HAVE!!

Prayer requests and needs:

- 1) Continued favor with the people in our community
- 2) Visitors and conviction in our services (Salvations and Spiritual Growth)
- 3) Online Radio station
- 4) Upcoming Prison Revival

Thank you for helping us pray. We couldn't do what we do without the folks that labor and pray for us. **THANK YOU!!!!!!**

Because of Christ
