

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins...

Acts 26:18

May – June - July 2021 Ministry Update

Dear Pastors, Friends, and Church Family,

As I began writing this update, this scripture came to mind.

Luke 10:2 Therefore said he unto them, **The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.**

I'm glad the God of Heaven still uses people in the harvesting business!! What a blessing it is to labor for the Master!!

We were in several states during the month of May. We started off in VA, then NC, KY, and MN. I also flew out to Utah for a quick trip to look at the building that had recently been given to us.

Some of the things we saw, initially, that needed to be done to the building included: paint (inside and outside), furnace and a/c system, new exterior doors, windows, 2 of the inside doors, light fixtures, re-seal the parking lot and get it striped, church sign. (I'll say more about this later in this letter.)

During the month of June, we were in MN, ND, SD and then back to MN.

During our time in this area, we based out of Walworth Baptist Church in Ulen, MN. We are very grateful for Pastor Mitchell and the folks there for allowing us to help out at the church as well as begin to help get the ball rolling with another church plant out of this church on the White Earth Indian Reservation.

We also had the privilege to help pass out tracts, door hangers, and flyers for several different churches in all of these states.

In July, we started in MN, then headed west to ID then on to UT for the rest of the month.

While we were in UT, we had the privilege to attend "Vision Week" at our sending church in N Logan, UT. We were encouraged as well as challenged to be faithful in God's calling. It was a blessing to see all the folks at Mt Logan once again.

Also, while in UT, we were able to go down to Ogden and work on our building. We pressure washed the outside and got it painted (pictures are on our website)! Bro. Stacy Pearcy and Mrs. Danette with Hands Across the Nation, brought our chairs, pulpit, and communion table out. One of our supporting churches in Wyoming has bought the furnace and a/c system. Bro. Doug Baker in Wyoming at the Western Baptist Missions Warehouse is making our sign (Free of charge), and a church from NC has bought and is shipping a steeple. We are rejoicing as we see the Lord put it all together!

We would like to thank each of you for your faithful prayers and your continued support for our family and for the cause of Christ!

Please continue to pray: **1)** for continued safety as we travel **2)** that God would keep our family healthy as we travel **3)** for additional monthly support **4)** God would continue to use us to be a blessing and encourage churches, Pastors and their families **5)** that folks would come to know the Lord as their personal savior and be submitted to His will.

PHILIPPIANS 1:3 "I thank my God upon every remembrance of you,"
