

## October – November - December 2021 Ministry Update

Dear Pastors, Friends, and Church Family,

Luk 2:11 For unto you is born this day in the city of David a Saviour, which is Christ the Lord. Jesus came the first time, as was prophesied, and He is coming again!!!

I want to first of all say **THANK YOU** for all the gifts that were given to our family for Christmas! We truly appreciate each one of you and pray for you often.

October and November were very busy months. December allowed us to spend a little time with family. We started the month of October in North Carolina. The second week of October we travelled to Texas where we attended two Missions Conferences, and presented our call to Utah, preached, and our children sang in several other churches during the rest of the month. The first week of November we travelled to New Mexico where I had the privilege to preach a Missions Conference where one young lady surrendered her life to our Lord's service and the church doubled their Faith Promise commitment for the upcoming year. We were also privileged to be in several churches on the Navajo Reservation in New Mexico and Arizona. It truly was a blessing to preach the Gospel as well as preach on Missions to these folks. After leaving AZ the third week of November, we travelled back to Mississippi then back to NC, where we were able to spend Thanksgiving with family. We finished out the month of November in NC. We were able to be in several churches in NC for most of December, allowing us to spend some time with family before our move to Utah.

We are very grateful for the new doors that have been given to us and already installed in our building in Ogden. A new ceiling has been installed as well. While there is still some work that needs to be done, we are excited to see it coming together. We are very thankful for our Pastor (Bro. Kirkman) and the folks at Mt Logan Baptist Church for taking care of this in our absence!

We are very thankful for the churches that have partnered with us to reach Utah for Christ. **With that said, we currently have 83% of our needed support.** We are anticipating the move to Utah in mid-April 2022. As of right now, we are planning the launching of Mt. Ogden Baptist Church in Ogden, Utah, sometime in May 2022. I would ask that, if we have been in your church and presented our ministry to your folks, that you would pray about and consider adding our family to your Missions program. If we have not been in your church, prayerfully consider having us in.

**Please continue to pray:** 1) For continued safety as we travel 2) That God would keep our family healthy as we travel 3) For additional monthly support 4) God would continue to use us to be a blessing and encourage churches, Pastors and their families 5) That folks would come to know the Lord as their personal savior and be submitted to His will.
